Dear Sherwood Family:

I hope you are enjoying your summer and your time with your beautiful children and family.

We have been very busy this summer with construction outside and inside of our building. We are replacing our roof, tuckpointing, painting and also redoing our gymnasium.

We are also working hard to make sure we have all our positions filled with highly qualified certified teachers and staff. Stay tuned for more details as our interviews continue and we select our final team.

Have an amazing week and stay safe!

Sincerely,

Alice Buzanis

Principal
